2004 Generator Fee Prepayment
Not Claimed

Dear Taxpayer:

Based on a review of your account, it appears that you did not take credit for your prepayment of \$3499.00 on your annual 2004 Hazardous Waste Generator Fee Return. You may be entitled to a refund in the amount of \$3499.00.

In order to refund the overpaid amount, you must file an amended 2004 Hazardous Waste Generator Fee Return and submit a written request for refund explaining the basis of your claim. Enclosed is a copy of the original return for your reference.

To amend the return, write "Amended" at the top of the return and on line 11 (less prepayment credit) indicate your prepayment credit of \$3499.00 and make necessary changes to lines 12 through 15 as warranted. Your **amended return** and **written request** for refund should be directed to my attention via facsimile or mailed to the above address.

Upon receipt of the above items, a refund will be processed after review and approval of your claim. Please do not deduct the amount of the overpayment from any future tax payments. If we do not receive a reply within 30 days, we will accept the return and payment as originally filed and no further action will be taken.

If you have any questions, please do not hesitate to contact me at the above telephone number.

Sincerely,

Tammi Uchida
Senior Tax Representative
